## SPECTACULAR SPACES

### *Atrium*

Our soaring atrium sets the stage for your wedding at the Newport Marriott. As your guests enter the lobby, they're greeted by voluminous white sails, soothing water features and décor accents reminiscent of Newport's great sailing ships. This space is perfect for a cocktail reception, ceremony or dinner.

### *Grand Ballroom*

Explore the possibilities in our elegant Grand Ballroom with high ceilings, lush carpeting, and beautiful recessed lighting. At 7,800 square feet, the opulent Grand Ballroom can accommodate up to 500 guests for dinner and dancing.

### *Off-Site Catering*

We know Newport — we've been part of the community for more than 20 years, so we're experts in turning your special day into a memorable event. Our experienced chefs create inspired menus of tantalizing tastes using only the freshest ingredients. From the pavilion at Easton's Beach to the Tennis Hall of Fame, your wedding will be expertly coordinated with impeccable service no matter where your reception takes place.
